

Grab a Cab Scheme - Access health care appointments

We want to make sure that health care appointments are as easy to access as possible. Derbyshire County Council are currently running a new scheme offering free transport to a variety of routine health appointments. The Grab a Cab project is running until 31 March 2023.

The free transport offer will cover the following prearranged health appointments:

- COVID-19, flu, shingles, PPV (Pneumococcal) and other NHS provided vaccinations**
- abdominal aortic aneurysm (AAA) screening**
- cervical cancer screening**
- bowel cancer screening**
- diabetic eye screening**

Eligibility:

- you need to be a Derbyshire county resident (excluding Derby city)
- there is no age limit
- the service is not means tested so you don't need to be receiving benefits to be eligible

If you would like to arrange free transport to a pre-arranged health appointment that falls into one of the above categories, then please call the team on tel: 01629 536173. The phone line is open Monday to Friday between 9am and 5pm.
